DRAFT Proposals- FFO still developing	ALO Artificial lures and flies only, single, barbless hook	General River rivers not listed in book	Open Year Round No closed season, any method	Current FFO	Region
River Name	Town	Proposed 2025			
ALO-Apr 1-Sept 30/Oct 15, Single barbless hook, 2 fish	Apr 1-Sept 30/Oct 15???, 5 fish/5lbs		Limits by species		
Androscoggin-Errol Dam to Bragg Bay:	Errol	ALO			1
Androscoggin	Sawmill Dam in Berlin to Shelburne:	ALO	ALO, No Closed Season, Single barbless hook, 2 fish with only one over 20 inches	No Closed Season	1
Connecticut River	1st CT Lake dam to Lake Francis:	ALO	ALO-Apr 1-Sept 30, Single barbless hook, 2 fish		1
Connecticut River	2nd Lake Dam to inlet at Greens Point:	ALO	ALO-Apr 1-Sept 30, Single barbless hook, 2 fish		2
Connecticut River	Murphy Dam to Colebrook Town line:	ALO	ALO, No Closed Season, Single barbless hook, 2 fish with only one over 20 inches.		2
Magalloway River	Second College Grant, Wentworth Location	ALO	ALO-Apr 1-Sept 30, Single barbless hook, 2 fish	ALO, 2 fish, CR	1
Magalloway River and its tributaries	Sturtevant Stream to Umbagog Lake	ALO	ALO-Apr 1-Sept 30, Single barbless hook, 2 fish	ALO, 2 fish, CR	1
Saco River and tributaries	Crawford Notch-Bartlett-Meadow Brook confluence	ALO	ALO-Apr 1-Sept 30, Single barbless hook, 2 fish		4
SB Piscataquog tributaries		ALO	ALO-Apr 1-Sept 30, Single barbless hook, 2 fish		
Pemigewasset River and its tributaries	Franconia to Campton				
Upper Ammonoosuc River and its tributaries	Columbia-Stark		Apr 1-Sept 30, 5 fish/5lbs		
Androscoggin River tributaries	Errol to Shelburne		Apr 1-Sept 30, 5 fish/5lbs		
Ammonoosuc River and its tributaries upstream of	Franconia to Crawford Notch		Apr 1-Sept 30, 5 fish/5lbs		
Dead Diamond and its tributaries	Pittsburg to Magalloway River confluence		Apr 1-Sept 30, 5 fish/5lbs		
Swift Diamond River and its tributaries			Apr 1-Sept 30, 5 fish/5lbs		
Ammonoosuc River downstream of Lower Falls	Sugar Hill to Woodsville	No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Androscoggin River-outside of ALO sections		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Ashuelot River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Baker River	West Rumney to Plymouth	No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Bearcamp River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Blackwater River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Cold River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Connecticut River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Connecticut River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Gridley River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Israel River	Randolph to Lancaster	No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Mascoma River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Merrimack River		No Closed Season	open year round, bag limits and methods determined by spp targeted		2
Middle Branch Piscataquog River		No Closed Season	open year round, bag limits and methods determined by spp targeted		1
Minnewawa Brook	Marlborough-Harrisville-Keene	No Closed Season	open year round, bag limits and methods determined by spp targeted		1
Newfound River		No Closed Season	open year round, bag limits and methods determined by spp targeted		1
Nissitissit River		No Closed Season	open year round, bag limits and methods determined by spp targeted		1
North Branch Millers River		No Closed Season	open year round, bag limits and methods determined by spp targeted		1
North Branch River		No Closed Season	open year round, bag limits and methods determined by spp targeted		1
Nubanusit Brook		No Closed Season	open year round, bag limits and methods determined by spp targeted		1
Ossipee River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Otter Brook	Greenfield-Peterborough	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Otter Brook	Keene-Roxbury-Sullivan-Stoddard	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Pemigewasset River	Woodstock downstream	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Piscataquog River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Saco River	Bartlett downstream	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Salmon Falls River	Maine Border	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Smith River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Souhegan River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
South Branch Ashuelot River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
South Branch Piscataquog River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
South Branch Souhegan River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Squam River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Sugar River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
The Branch	Keene	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Upper Ammonoosuc River	Berlin to Groveton	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Warner River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
West Branch Souhegan River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Winnepesaukee River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Salmon Falls River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Cochecho River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Bellamy River		No Closed Season	open year round, bag limits and methods determined by spp targeted; remove 2 fish ice fishing limit		4
Oyster River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Lamprey River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Exeter River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Winnicut River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Taylor River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Powwow River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Spickett River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Beaver Brook		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Nesenkeag Brook		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Little Cohas Brook		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Cohas Brook		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Black Brook		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Contoocook River	(Concord)	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Piscataquog River	Goffstown/Manchester	No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Suncook River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Soucook River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
Merrimack River		No Closed Season	open year round, bag limits and methods determined by spp targeted		4
